ABOUT GROUP

The Richhariya Buildcon Private Limited is a leading company in the industry, boasting over 25 years of experience. We have solidified our reputation as a reliable and dedicated group with a primary focus on Building and Construction. Since our inception in 1999, the trust our clients have placed in us has been the driving force behind our commitment to excellence.

What started as a modest beginning has transformed into a comprehensive construction and development enterprise, with our influence spanning across various sectors. While our core expertise lies in building, construction, and development, we also provide construction materials through our crusher unit and AAC blocks industry. Additionally, we are expanding into other ventures such as hospitality, resorts, and the retail sector to meet the needs of the general public.

At Richhariya Group, we are passionate about delivering exceptional results and surpassing expectations in every project we take on. Our unwavering dedication to providing value to our partners sets us apart in the industry

JOINT DEVELOPMENT APPROACH & PARTNERSHIP

► Location Analysis

We select land based on future growth potential, accessibility, and long-term development possibilities.

► Legal Verification

Every project undergoes clear title verification, documentation checks, and compliance assurance to ensure secure transactions.

► Scientific Planning

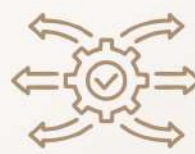

Professional layout planning is carried out to maximize usability, proper space utilization, and long-term value creation.

► Infrastructure Execution

We execute essential groundwork including road development, plot demarcation, and access planning to make projects practical and investment-ready.

► Customer Support

We maintain complete transparency and provide end-to-end assistance throughout the buying and development process.
